

26AC3400

AC Load break switch SIRCO AC 690VDC 3P 4000A

Strong points

- Reliability and performance
- Safety of property and personnel
- Simplicity
- Easy to install

General characteristics

- Fully visible breaking (double position window).
- Extreme usage categories (AC-22 and AC-23).
- High resistance to damp heat
- ("tropicalised" as standard).

Compliance with standards

- IEC 60947-3

Access to resources (ex: manuals)

https://www.socomec.co.in/enin/reference/26AC3400 SIRCO AC units are manual or motorised multi-pole load break switches. They make and break under load conditions and provide safety isolation. SIRCO AC devices are designed for extreme applications up to 690 VAC - AC 23.

Classification

Classification	
UNSPSC	39122233
ETIM Class	EC000216
IGCC	5290
Commerce	
Effective date	2012-12-13
Obsolescence date	2020-08-31
Production ban date	2020-08-31
Country of origin	FR
Length of the product unit	0.482
Width of the product unit	0.695
Depth of the product unit	0.514
Weight	0.01
ETIM - Electrical characteristics	
Max. rated operation voltage Ue AC [V]	690
Rated operating voltage [V]	400690
Rated permanent current lu [A]	4000
Rated permanent current at AC-23, 400 V [A]	4000
Rated permanent current at AC-21, 400 V [A]	4000
Rated short-time withstand current lcw [kA]	35
Rated operation power at AC-23, 400 V [kW]	1100
Switching power at 400 V [kW]	1100
Number of poles	3
ETIM - Mechanical characteristics	
Suitable for floor mounting	Yes
Suitable for floor mounting Suitable for front mounting 4-hole	Yes No
Suitable for front mounting 4-hole	No
Suitable for front mounting 4-hole Suitable for front mounting centre	No No
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation	No No No
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting	No No Yes
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element	No No Yes Other
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side	No No Yes Other
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features	No No Yes Other IP20
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch	No No Yes Other IP20 Yes
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as maintenance-/service switch	No No No Yes Other IP20 Yes Yes
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as safety switch Version as reversing switch	No No No Yes Other IP20 Yes Yes Yes
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as safety switch Version as reversing switch Number of switches	No No Yes Other IP20 Yes Yes Yes Yes No 1
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as safety switch Version as emergency stop installation Version as reversing switch Number of switches Motor drive optional	No No Yes Other IP20 Yes Yes Yes Yes No 1 No
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as maintenance-/service switch Version as emergency stop installation Version as reversing switch Number of switches Motor drive optional Motor drive integrated	No No No Yes Other IP20 Yes Yes Yes No 1 No No
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as maintenance-/service switch Version as emergency stop installation Version as reversing switch Number of switches Motor drive optional Motor drive integrated Voltage release optional	No No Yes Other IP20 Yes Yes Yes Yes No 1 No No No No
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as maintenance-/service switch Version as safety switch Version as reversing switch Number of switches Motor drive optional Motor drive integrated Voltage release optional Device construction	No No Yes Other IP20 Yes Yes Yes Yes No 1 No No No Built-in device fixed built-in technique
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as safety switch Version as emergency stop installation Version as reversing switch Number of switches Motor drive optional Motor drive integrated Voltage release optional Device construction Type of control element	No No Yes Other IP20 Yes Yes Yes Yes No 1 No No No No No No No No No Suilt-in device fixed built-in technique Other
Suitable for front mounting 4-hole Suitable for front mounting centre Suitable for distribution board installation Suitable for intermediate mounting Colour control element Degree of protection (IP), front side ETIM - Technical features Version as main switch Version as maintenance-/service switch Version as safety switch Version as reversing switch Number of switches Motor drive optional Motor drive integrated Voltage release optional Device construction	No No Yes Other IP20 Yes Yes Yes Yes No 1 No No No Built-in device fixed built-in technique

SIRCO AC 3X4000A F 690Vac

Type of electrical connection of main circuit	Bolt connection
Logistics	
GTIN/EAN	3596032722135
Customs number	8536508090
Price unit	PC
Weight of the packing unit	0.01
Norms	
Conformity to standards	IEC
Technical Characteristics	
Control operator	Direct : V0 / External : V0
Number of poles	3
Rated voltage	690 VAC
Rated current	4000
Туре	Front operation
Frame size	B9
